

TWIN CITY BALLET

You Could Not Should Not Want to Miss  
a Ballet Performance Quite Like This!

Twin City Ballet Proudly Presents

# “Our Earth, According to the Lorax”

Long before “going green” was mainstream, Dr. Seuss’ Lorax spoke for the trees and warned of the dangers of disrespecting the environment. In this cautionary rhyming tale we learn of the Once-ler, who came across a valley of Truffula Trees and Brown Bar-ba-loots, and how his harvesting of the tufted trees changes the landscape forever. The Twin City Ballet is excited to present our timely interpretation of The Lorax and his classic tale as we continue to educate a new generation of boys and girls not only about the importance of seeing the beauty in the world around us, but also about our responsibility to protect it.
